Request Number: 2017-06299

Dear Mr. Hurst:

This is in response to the above referenced Freedom of Information Act (FOIA) request. Specifically, you requested a listing of the design, operating, and total capacities of all BOP facilities and all facilities privately contracted by the BOP.

In response to your request, staff located 10 pages of responsive records, which were forwarded to this office for a release determination. After careful review, we determined 10 pages are appropriate for release in full. The Bureau of Prisons (BOP) uses rated capacities, not design capacities. A total of the rated capacities may be calculated from the attached documents. Additionally, the BOP has no access to design capacities for Private Prisons. You will need to contact them directly.

If you have questions about this response please feel free to contact the undersigned, this office, or the Federal Bureau of Prisons' (BOP) FOIA Public Liaison, Mr. C. Darnell Stroble at 202-616-7750, 320 First Street NW, Suite 936, Washington DC 20534, or ogc_efoia@bop.gov.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information, Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account at: <https://www.foiaonline.gov/foiaonline/action/public/home>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

3/19/2019
